**GLACIER** SERIES

This product is inspired from the grandeur of  
graceful, powerful and mighty glaciers.

ESSENCE OF BEAUTY OF THE DESIGN

Apply the shape of sparkling Glacier, the edges cut in angles that give white and dark contrasting dimension is chosen to be core element of product design.

The background of the entire image is a collection of numerous clear, faceted Swarovski crystals. They are scattered across the frame, with some in sharp focus and others blurred, creating a sense of depth. The crystals have various shapes, including octagons, hexagons, and irregular faceted forms. The lighting is soft, highlighting the facets and the clarity of the crystals.

An aerial photograph of a vast glacier system. A large, bright white meltwater lake is situated in the center of the frame. The surrounding ice is heavily textured with numerous crevasses, ridges, and smaller meltwater channels, creating a complex, undulating landscape. The lighting is bright, casting soft shadows that emphasize the topography of the ice.
